

AURELIA®301
Green Flock Lined Nitrile Chemical Gauntlet

AURELIA®301
Green Flock Lined Nitrile Chemical Gauntlet

Hand Markings

Applications

Product Features:

0.4mm Thickness

The 0.4mm thickness of the nitrile gauntlet provides superior chemical and abrasion resistance, ensuring reliable protection against a variety of hazards in industrial settings.

300mm Length

The 300mm length provides added splash protection to the wrist and forearm, ensuring comprehensive coverage against potential hazards, such as chemicals or liquids, in the workplace.

Textured Palm and Fingertips

The textured palm and fingertips enhance grip, providing better control and traction, even in slippery conditions, improving safety and productivity in various tasks.

Flock Lined

A flock liner offers increased comfort and sweat absorption, keeping hands dry and reducing irritation during prolonged use.

Outercase Dimensions:
400mm x 370mm x 240mm
