Applications

AURELIA® 402  
13gg Cut C Protective Glove with a Grey PU Coating

Product Features:

3D Hand Former

The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

Cut Indicator

The glove features a cut indicator, aiding in the proper selection of gloves based on their level of cut protection, ensuring safety and suitability for the task at hand.

HPPE and Steel fibre

The combination of HPPE (high-performance polyethylene) and steel fibre achieves cut level C protection, offering the highest degree of defence against sharp objects and ensuring maximum safety in high-risk environments.

PU Coating

The PU coating provides grip, making it ideal for handling dry and slightly oily parts with precision and confidence.

Paper Wrap

The gloves are packaged in a paper wrap, reflecting a commitment to sustainability by minimising plastic usage and opting for eco-friendly materials.
