13gg Cut D protective glove with a grey PU coating

CUT D

Product Features:

HPPE and Steel Fibre
The combination of HPPE (high-performance polyethylene) and steel fibre achieves cut level D protection, offering the highest degree of defence against sharp objects and ensuring maximum safety in high-risk environments.

3D Hand Former
The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

Cut Indicator
The glove features a cut indicator, aiding in the proper selection of gloves based on their level of cut protection, ensuring safety and suitability for the task at hand.

PU Coating
The PU coating provides grip, making it ideal for handling dry and slightly oily parts with precision and confidence.

Paper Wrap
The gloves are packaged in a paper wrap, reflecting a commitment to sustainability by minimising plastic usage and opting for eco-friendly materials.
