ABOUT US

Supermax Healthcare limited is the European arm of Supermax Corporation Berhad, the world's 2nd largest manufacturer of disposable examination gloves.

Founded over 30 years ago, the Supermax Healthcare Group, has become, globally, one of the world's largest, and most recognised disposable glove manufacturers; fronted by the bestselling brand in the US and the fastest growing glove brand in Europe, Aurelia.

Founded in 1987 by Malaysian nationals, Dato' Seri Stanley Thai and his wife, Datin Seri Cheryl Tan as a trading business, distributing disposable gloves. With the success of their distribution model, in 1989, they purchased their own manufacturing facility, with the emphasis and focus on manufacturing premium disposable gloves.

Today, Supermax Healthcare has been cemented as one of the world leading disposable glove manufacturers, with 26 billion gloves manufactured annually from its 12 manufacturing factories based in Malaysia; distributing to over 160 countries globally.
